

BENEATH THE TREES

Join Cam and Sophie on their survival adventure with your own paper bag platypus...

What to do:

- Fold the corners of the paper bag so they appear rounded.
- Cut out and glue on a bill and webbed feet.
- Decorate with googly eyes and white pen.

What to do:

- Stuff an old pair of stockings (I used stuffing from an old pillow).
- Seal the waist of the stockings with a rubber band.
- Cut a scary mouth from cardboard and decorate.
- Use fabric glue to attach the mouth and googly eyes.
- Decorate however you like! Pipe cleaner eyebrows? A nice bow tie? A hat? Hair?

Gah! Make your own mega-leech
